GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

NOVEMBER 3, 2005

Attendance Rebounds For Tonight's Meeting

Announcements Fill The Air!

- **Gary S.** reported that we have received information from the EPA regarding our alleged dumping of toxic waste. They have decided to postpone any decision on making a de minimis settlement offer until at least the second half of 2006.
- The **CHOC/Boys & Girls Club Clinic** had an opening ceremony on Nov. 1 and our own **Peter C.** was the Master of Ceremonies. Our **Club** was represented by **Gerry N.** and **KiwanisLand** was represented by **Gary S.** It is a beautiful facility and will provide a valuable service to the youth of our community. **Peter** recommends for members to go by and view the facility if they can.
- Nov. 8th is **Election Day** and there will voting at **KiwanisLand**. Don't forget to go out and vote.
- **Jack W.** announced that there will be a work party on Nov. 12 at **KiwanisLand**. We will meet at Kaye's Kitchen for breakfast at 7:30 am and the work party will start at 8:30 am at **KiwanisLand**. A sign-up sheet was passed around, but all members are welcome to show up and help support the park.
- **Tom E.** announced that the **Canned Food Drive** will be starting up and that members are asked to bring in at least six items of canned foods or dry goods in. Bring them with you to meetings starting on Dec. 1. The **Soroptomists** will be joining with us this year in this event. So we should get a really good collection for those in need.
- The morning **Garden Grove Kiwanis Club** donated \$500 to us for using the facilities when they had their Installation Dinner here in September. A Thank You letter is being sent to them for their generous gift.
- The **Thanksgiving Dinner Ladies Night** event will be held on Nov. 17th. A sign up sheet has been passed around at the last two meetings. If you will be attending, but have not put it down on the sign up sheet, please let **Gerry N.** know so we can get an accurate head count for the dinner order.

There were plenty of announcements to fill everyone's head.

Garden Grove Family Winterfest 2005

The **City of Garden Grove** will be having a **Family Winterfest** at **Atlantis Play Center** at **Garden Grove Park** on Dec. 3rd from 4 to 8 pm. This winter themed carnival will have a snow hill, train rides, inflatable attractions, food and fun. Our **Club** will be helping to sponsor this event. So mark your calendars and bring your family down to have some fun.

Club Loses Out Due To Bob Main

Bob Main was the Secret Greeter for tonight's meeting. **Bob** is such a popular guy, that he was not able to catch anyone not shaking his hand. Therefore, the **Club** was unable to make any money on fines. Why is it that when **Ed H.** is the Secret Greeter, the **Club** seems to make a ton of money????

John Leeb was the "Mini Program"

Mr. Leeb gave us the choice of "messing with our minds" by trying to solve some Brain Puzzles that he had brought or regaling us with some **Dan Quayle** quotes. The crowd overwhelmingly requested the **Quayle** quotes. John then provided us with some of the infamous quotes attributed to **Dan Quayle**. Some in the audience seemed to question whether or not these quotes were real and demanded equal time for some quotes by members of the Democratic Party. Reference the following web pages for some of the **Dan Quayle** quotes: (http://www.quotationspage.com/quotes/Dan_Quayle/) or (http://www.brainyquote.com/quotes/authors/d/dan_quayle.html) including the one below.

Coming Soon

November 10 **Ken Yebisn (Chiropractor)**

November 17 **Thanksgiving Dinner Ladies Night**
