GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

JULY 13, 2006

Park is overrun with Campers!

Camp KiwanisLand !

It's that time of year again when the **Park** is filled with day campers and all of their crafts and camp equipment. While most of us only see the craft projects that are left overnight on the picnic tables when we come to the meetings on Thursday, **Jack W.** is there every day and gets to experience the Campers all day long. **Jack** reported that the Campers are having a good time and are really enjoying the **Park**. He said that the **Girl Scouts** are in this week and that there will be another two different groups in over the next two weeks having day camps at **Camp KiwanisLand**.

Is this the sign of the times?

"Isn't it interesting that the same people who laugh at science fiction listen to weather forecasts and economists?"
