GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

JUNE 5, 2008

5 inter clubs visiting, 4 guests per club eating, three speakers speaking, 2 portions serving, and a Partridge in a pear tree!

Historic Day! First time in history all Kiwanis Members Show up

Well, that's what we keep hoping will happen some day, but it certainly wasn't happening Thursday, as we celebrated our lowest turnout since **Bob Main and Jack Wallin** were the only two members in the club. (Just a joke guys) It was truly a sad day. Whether it was the Lakers-Celtics game, A rumor that **Craig Howard** had accepted a second term as President, or **Tom Petrosine** had really accepted the Presidency for next year, and many of you thought his term began at that meeting, we will never know. But when it was over some of our members were finishing their fourth helping of Pot Roast, mashed potatoes, and gravy, corn niblets, and a delicious chocolate cake, while Efrain was considering starting a restaurant with the leftovers.

We found our Supervisor, now we are searching for our members,

Craig has speaker set for June 19

Craig has happily announced that we have a speaker for June 19, hopefully he will even have members there to see him, His name is Chuck Truman and he is a relative of our former President, actually an 8th cousin. He will not be speaking on President Truman, he will be speaking on the Sentinel Missile Program in Iraq and how the Sentinel works, What makes him an expert? It's because he worked on it and helped design it. Let's see if we can get a good turnout for him. He may even have anecdotal tales about cousin **Harry**.

Happy/Sad Dollars

- R.C.** Sorry about sorry turnout.
 - Don N.** Happy I have a pen??? And for the small group who did show.

Thought For The Week

Every fight is a food fight when you are a cannibal.

If we had more members at the meeting we would have more things to say.
