GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

MAY 14, 2009

*If we could only bottle and sell their enthusiasm and vigor...*

## Kiwanian Youth Mix with Kiwanian "Experienced"

At tonight's **Garden Grove Kiwanis** meeting, we had about 16 of the **Bolsa Grande High School Key Club** members joining us. They were here to have dinner with us, visit the **Park** and to tell us about all of the events that they have been participating in through out their school year. It also gave us a chance to again remind them of how we need their help at our upcoming **Strawberry Festival** events.

*We had a mixing of the generations this evening!*

### Strawberry Festival

**Strawberry Festival Pancake Breakfast Chairman John Leeb** announced that he is still looking for a few more volunteers for helping with our event on Saturday morning (May 23) from 6:30 to 10:30 am. He has help coming from the **Bolsa Grande HS** and **Garden Grove HS Key Clubs**, as well as several **Club** members and family coming to support the breakfast, but is looking for a few more members and their families to help out with this event. We have been told that the **Festival** is expecting a large crowd for this pre-Parade event. **Corn Booth Chairman Craig Howard** continued to work the shift sign-up sheets for the booth. **Craig** reminded everyone that **Club** members, family and friends are asked to help with the **Corn Booth** during the **Strawberry Festival** where we will be selling hot buttered corn on the cob, water and dill pickles.

### BGHS Key Club

The contingent of **Key Clubbers** visiting tonight was lead by **Club President Shahab Zahir and Vice President Hue Vu. Shahab** introduced the rest of the **Club Officers** in attendance and thanked our **Club** for inviting them here tonight, the wonderful dinner and all that we do to support their **Club**. He also said that they enjoy helping us with our events like the Pancake Breakfast and the Corn Booth. They have 113 members in their **Key Club** and have just recently worked on projects such as the **CHOC Carnival**, Walk Like MADD (which is a **Mother's Against Drunk Driving** event) and WADY (We Ain't Dead Yet) Food Bank Deliveries. Upcoming projects they plan to work on include the supporting the **Disney Half Marathon** event and a Kidney Walk. The biggest and most fun project they worked on during their school year was the **Rose Parade Float** decorating in Pasadena. They also go to **Key Club** conventions and just recently helped raise \$63,000 for **Pediatric Trauma Prevention**. **Shahab** finished out his talk with a rousing **Key Club** cheer telling us how great he feels.
