GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

JANUARY 14, 2010

*Batten down the hatches...*

## Kiwanis Club Meetings Still Happening!

Even though the turnout was not one of our highest for tonight's **Kiwanis Club** meeting (we figured that those who were missing were home preparing for the upcoming storms that were expected to be arriving come Sunday), those in attendance tonight managed to have a good time and enjoy a good **Jay's Catering** meal, liquid refreshments and some good old **Kiwanian** fellowship.

*We miss seeing some of our Club members who we haven't seen since last year.*

### Announcements

- **President Brent** reminded everyone that there would be a **KiwanisLand** work party on Saturday, January 16 for those that can attend. Interested parties can meet at the **Waterfall Café** for breakfast (since the **Main Street Diner** is closed temporarily) at 7:00 am or at the **Park** at 8:00 am for the fun to begin. Work plan is to take down the shade netting from the amphitheater and clean off the leaves from the building roofs. (**Editors Note:** Thanks to **Craig Howard; Will Swanstrom; RC Gall; Jack Wallin; Brent Hayes; Don Nielsen** and **Gerry Newkirk** for showing up and getting the job done.)
- Our **Valentine's Dinner** will be held on February 11th, so mark the date and invite your favorite sweetheart to come share the evening at the **Park**. **President Brent** sent a sign-up sheet around and will have it at future meetings, so keep an eye out for it and if you just can't seem to find it, then give **President Brent** a call so we can get an accurate headcount for the event.
- **Bruce Broadwater** is trying to get a speaker from the **Edison Company** to come and talk to us as one of our Programs at an upcoming meeting.
- We received a thank you note and a \$100 donation to **KiwanisLand** from the **St. Cyprian Cub Scout Pack 67** in **Long Beach** for using the **Park** for a campout at the end of October last year.
- **Jack Wallin** mentioned that even though we had not seen **Jay Mastroianni** at the **Clubhouse** for awhile, he is doing well. He's been staying home taking care of **Eleanor**, who is recovering from some recent surgery.
