GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

JUNE 10, 2010

Our Club's Strawberry Festival Corn Booth is able to be a success with all of the help we get from our Key Club kids...

Our Club Thanks Key Club'ers for Their Help!

We had representatives from the **Bolsa Grande High School Key Club** and from the **Garden Grove High School Key Club** at tonight's **Garden Grove Kiwanis** meeting. They were invited to come and join us for dinner and a presentation in order to let them know how much we appreciated each of their **Club's** support with our Corn Booth at the **Strawberry Festival** this year.

Representing the **Bolsa Grande High School Key Club** was their **President Stacie** and their **Vice President William**. They accepted a \$500 donation from **President Brent** as a token of our Thanks for assisting us with our Corn Booth. The **BGHS Key Club** currently has 124 members and they have been doing Community Service projects such as Aid's Walks and working at the O.C. Marathon. They are planning for next year's **Key Club District Convention** and for the **Rose Parade** float decorating. They thanked us for our **Club's** donation and said that it will go along way in helping their **Club** in offsetting dues and expenses.

Another small crowd tonight and again attributed to the fact that there was a Lakers - Celtics Playoffs game on TV!

Representing the **Garden Grove High School Key Club** was their **President Judy** and their **Treasurer Brian**. They also accepted a \$500 donation from **President Brent** as a token of our Thanks for assisting us with our Corn Booth. The **GGHS Key Club** currently has 100 members and they have been busy recruiting new members, performing Community Service projects, and planning their summer events. They just had their end of year banquet and officer installation. They thanked us for our **Club's** donation and said they enjoyed helping us with our Corn Booth and look forward to helping again next year.

Our **Club** gave all of the **Key Club'ers** in attendance tonight a round of applause and hearty thank you's. The **Club** also gave another round of applause to **Craig Howard** for all of his hard work in running the Booth again this year. Someone from the crowd said that he had done such a fine job that we should make him **Club President** for next year (I think it was **Brent H.**). Since **Craig** was not there to object, the motion passed.

The **Cal State Fullerton Circle K Club** representatives, **Thai** and **Charlotte**, were back with us again (I think they figured out where to get a free meal on Thursday nights...). They announced that they would like to have a "mixer" on August 27th at **KiwanisLand** and have the **Key Club** members, their **Circle K** members and our **Kiwanis Club** members all get together and get to know each other a little better. So save the date and more information will be forthcoming as the date gets closer.
