GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

OCTOBER 07, 2010

Third times the charm for Santiago Key Club visit ...

Key Clubber's visit GG Kiwanians

At tonight's **Garden Grove Kiwanis Club** meeting, students from the **Santiago Key Club** were finally able to connect with our **Club**. Last week they showed up at our **Club's Officer Installation Dinner** and outgoing **President Brent** had to inform them that they would have to come back another evening. They had also tried to attend on another evening and were unable to because of a previously planned event. So tonight they were successful in visiting and having dinner with our **Club**. They had seven members in attendance tonight and their **President Danh Lai** told our gathered members about the activities that their **Club** had been doing and had planned for this month. They have been busy recruiting members on campus. They will be working at the **Garden Grove "Diner of the Dead" Haunted House** on Oct. 15th, walking in the **CHOC Walk** on Oct. 17th and attending the **Fall Rally at Magic Mountain** in November.

The Garden Grove Kiwanis Club were visited by the Santiago Key Club tonight.

We also had **David Chipman** from the **Adventure Guides** (formerly known as **Indian Princesses**) visiting with us tonight. He had been camping out with all of the **Adventure Guide** girls and their fathers at **KiwanisLand** this past weekend and came by tonight to visit and to also turn in the money from a couple of **Ray Beaudoin Memorial Drawing** tickets. **David** is also a member of the **Huntington Beach Kiwanis Club**.

Ray Beaudoin Memorial Drawing

Contrary to what is printed on the tickets and what has previously been reported in this esteemed publication, the **Club's Ray Beaudoin Memorial Drawing** will be held Friday, Oct. 29th at **KiwanisLand**. **Chairman Jerry Kelly** explained that there was an error in the printing of the tickets and asks for members to let anyone who purchased a ticket and was planning on attending the drawing know of the correct date! We will be having cocktails and appetizers before the drawing and anyone who purchased a ticket is welcome to attend.

Jerry also says that we have 16 tickets still available for sale and encourages **Club** members to discuss with family, friends, acquaintances or anyone that you may come into contact with about know what a great opportunity this is to help support **KiwanisLand** (and to potentially earn the grand prize). **Jerry** reminded us that **Ray Beaudoin** always said, "You can't sell them a ticket and have them help support **KiwanisLand** if you don't ask them!". **Members** are also asked to turn in ticket stubs and payments.

Thought For The Week

"Those who say it can't be done are usually interrupted by others who are doing it."
