GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

Nov 11, 2010

## EXTRA! EXTRA!

READ ALL ABOUT IT!

You are about to see it right here right now. What has only been talked about in myths, fables, and downright lies will be put before your very eyes in black and white. For the first time EVER, you will get to see what it takes to make this newsletter what it is.

This edition is one that will strike shock and awe, fascination and intrigue, interest and captivation, bewilderment and stratagem.

What you get today, folks, has never been put to print and has NEVER been brought to the public eye....UNTIL RIGHT NOW!!

Today, you get to see the newsletter IN THE RAW...sort of a NUDELETTER if you will. You get to see the behind the scenes documents straight from the writers hands direct to your email. This is so you too can experience the experience of writing the newsletter and appreciate first hand the amount of detail that goes into collecting the real story that makes Kiwanis the organization what it's meant to be.

So sit back and take it all in because you might not experience this again in this lifetime, on this planet, within this universe....

The Real Story - The writer will be tied up with work related work so he had to take the easy way out

## CHOC Children's Foundation Charley Awards

Suki & Peter Carter were the recipients of the "Outstanding Volunteer" 2010 CHOC Children's Foundation Charley Award at a recognition ceremony at the Ritz Carlton, Dana Point, CA on Nov 2.

The Charley Awards honor individuals and organizations who exemplify Charley Hester's ideals of philanthropy and volunteerism in service to CHOC Children's.

The Carter's have been CHOC volunteers for over 20 years, including all 20 years of the CHOC Walk in the Park. They have also been involved with the CHOC guilds as well as other groups and events. The Carters were both on the steering committee that was instrumental in moving the CHOC Walk to the current Disney location. Suki and Peter have become synonymous with the CHOC Walk and have assisted in countless capacities including logistics, prizes, set up, tear down and event storage. CHOC is extremely grateful for the Carter's tireless generosity of their time over the years.
